VISA INFORMATION

1. **Indonesia Visa Free Entry for 169 countries**

Jakarta, DGI PR (22/03) - Indonesia allows a visa-free process to 169 countries under the new visa regulation. President Joko Widodo signed a Presidential Regulation Number 21 concerning Visit Visa Exemption on March 2, 2016. Passport holders of certain countries are exempt of needing a visa to enter Indonesia. The visa exemption is valid for only 30 days, non-extendable or convertible into another kind of stay permit.

Foreigners from 169 countries can enter and exit Indonesian Territory through 124 Immigration Checkpoints in airports, seaports and land border.

The visa exemption facility can be used for tourism, family visit, social visit, art and cultural, government duty, to deliver a speech or attend a seminar, international exhibition, meetings with head office or representative office in Indonesia, or transit.

Regardless what country you are from and what visa you will be getting there are a few things every foreign visitor needs before travelling to Indonesia.
- A passport that is valid for at least 6 months from the day you enter Indonesia.
- A passport that has at least one complete blank page.
- Proof of a return flight or onward flight out of Indonesia.

If the 30 days of Visit Visa Exemption facility feels insufficient, visitor still can apply for Visa on Arrival (given for 30 days and extendable for another 30 days) or Visit Visa.
