Stop TB Partnership Operational Strategy
2013-2015

The Operational Strategy outlines the Partnership Secretariat’s four strategic priorities based on comparative advantages and available financial resources.

**Strategic Goals:**

1. **Partner Engagement:** Facilitating meaningful and sustained collaboration among partners

2. **Global Advocacy:** Increasing engagement by world leaders and key influencers to double external financing for TB from 2011 to 2015

3. **TB REACH:** Promoting innovation in TB case detection and care

4. **Global Drug Facility (GDF):** Ensuring universal access to quality assured TB medicines and diagnostics
strategic goal 1
partner engagement
Facilitating meaningful and sustained collaboration among partners
SG 1: Partner Engagement

• Develop a strategy for partner engagement including segmentation of existing partner base, prioritizing activities for partners to engage with, and identifying and targeting new partner groups to engage

• Strengthen support to Partnership Working Groups and facilitate collaboration between them

• Facilitate dialogue, engagement and consensus around achieving the Millennium Development Goals (MDGs), Global Plan to Stop TB 2011-2015, and on the post-2015 agenda (TB Strategy, Global Plan 2016-2020 and post 2015 development targets)

Discussions

• What are new ways to strengthen exchange of information and mutual support among national partnerships?

• How do I support you as a Board Member? *Capacity building, Technical Assistance etc*

• How can you support each other?
