Afro Global Alliance
Ghana
Presentation Outline

- Introduction
- Milestones
- Challenges
- Communication Plan
- Recommendations
- Conclusion
Introduction

- Afro Global Alliance is a regional NGO representing Developing Country NGOs on the Stop TB Board
- The Executive Director represents the organization
- Afro Global Alliance also represents Africa CSOs on WHO-AFRO Advisory Committee of TB Expert
- Ghana National TB Advisory Board
Definition

- National NGO operating in countries defined by the IMF as “emerging/developing economies” with the exception of those headquartered in developed countries.

- Organization under this type includes faith based organizations, community based organizations, health care service providers, professional associations, advocacy groups etc.
Milestones

- Stop TB Board EC Membership
- GCTA Steering Committee
- TB NSP participation and involvement
- TB/HIV Concept note Task Team
- Global Fund NFM & NSP consultative workshop
- ToT Regional workshops on NFM
Milestones

- Communities sensitization workshop TBV (NSP, NFM)
- Global Plan to stop TB start-up task team
- Expanding communication platforms for constituents
- Two board meetings in a roll and EC meetings
- Increased partner membership list
Challenges

- Resources to support constituent members to participate in EB meetings
- Electronic meetings not best option
- Language barrier
- Stop TB Transition
Communication Plan

Several platforms have been created, do you have other suggestions?

- https://www.facebook.com/stoptbcso
- https://groups.google.com/forum/?hl=en#%21forum/stbp-developing-ngo
- austinos7@hotmail.com
Recommendations

- Regional monitoring of GF CCM eligibility guides in countries
- Create platform to share good practices
- Study tours to learn from countries already passed through country dialogue and concept note writing and submission
Conclusion

Effective Stop TB advocacy should involve everyone

- Success will require unprecedented long-term resources, efforts and strong leadership at every level of the society.

- The answer is Partnership! Partnership! Partnership!
