INVITATION TO BID

ITB-IDA/GDF - SLD/2016/007

IDA FOUNDATION,
as contracted Procurement Agent of the Stop TB Partnership/Global Drug Facility,

WISHES TO PROCURE ANTI-TUBERCULOSIS MEDICINES
for the treatment of Drug Resistant forms of TB

Attention: Bid Opening Team

IMPORTANT – ESSENTIAL INFORMATION

The reference ITB-IDA/GDF - SLD 2016/007 must be shown on your bid.

Bids should be sent electronically to: bids@idafoundation.org

The bid response form (Annex A) must be used when replying to this invitation. Failure to submit the bid in the attached bid response form, or failure to complete the details as requested, may result in rejection.

Emailed bids must be received by latest 13.00 hours IST on 29th of February 2016. Bids received after the stipulated date and time will be rejected.

Bids will be publicly opened at IDA Foundation Mumbai office on 02nd March 2016 at 10.00 hours IST.
Bids will only be accepted in US DOLLARS. Bids received in any other currency will be rejected.

This invitation to bid has been:

Prepared By: Suzanne de Jongh, Programme Manager GDF, IDA Foundation

Verified By: Magali Babaley, Procurement Team Leader, GDF
Kaspars Lunte, Sourcing Team Leader, GDF
Nigorsultan Muzafarova, Quality Assurance Officer, GDF

ANNEXES

Annex A: Bid response form (Excel spread sheet)
Annex B: Technical Specifications / Product list
Annex C: Response form for anti-TB medicines Registration
Annex D: IDA Model Long-Term Agreement (LTA)
Annex E: IDA General Terms and Conditions
Annex F: IDA Code of Conduct
Annex G: Artwork Sample for India Programme Supply
Annex H: Indicative non-binding estimated quantities for ROW and India Programme
Annex I: Addresses GSMDs for DAP delivery for India Programme
Annex J: GDF Artwork Packaging Labelling Guidelines
SECTION 1: OBJECTIVE

The purpose of this ITB is to select a panel of suppliers who will enter into Long-term agreements (LTAs) with IDA Foundation, the contracted Procurement Agent of the Global Drug Facility (GDF) for the supply of Anti-TB medicines for treatment of Drug Resistant forms of TB.

SECTION 2: SCOPE OF WORK

2.1 The GDF strategy

The Global Drug Facility (GDF) aims to ensure timely access to quality assured, affordable anti-TB medicines and diagnostics and contribute to the development of sustainable and efficient anti-TB medicine management capacity for countries in need. In developing its strategy, the GDF has determined the following key principles:

- Saving lives by ensuring an uninterrupted supply of quality-assured, affordable anti-TB medicines and diagnostics to population in need

- Contributing to TB health products market shaping by linking strategic interventions on the demand and supply sides with stakeholders/partners, focusing on market analysis, supply security, suppliers engagement, affordable and sustainable prices, innovation and new products introduction/uptake by countries

- Maximizing impact and value for money by enhancing efficiency/effectiveness of operations focusing on quality of services and clients/partners feedback

2.2 Technical Specifications/ Product list

To translate the strategic principles into an executable strategy, the following criteria have been defined:

2.2.1. The list and specifications of Anti-TB medicines for treatment of Drug Resistant forms of TB selected for this ITB are the ones indicated in ANNEX B.

2.2.2. The list of products indicated in ANNEX B will be allocated to a limited number of suppliers, whose selection will be based on the outcomes of this ITB.

2.3 Products quantities and allocation scheme

2.3.1 The total estimated quantity for products covered by this ITB is indicated in ANNEX H. Please note that the estimations provided in ANNEX H are indicative only, and shall not be considered as quantity commitment. Actual quantities to be ordered can vary and IDA/GDF is not in the position to make any guarantees in this regard.

2.3.2 The products ordered will be allocated to the limited number of suppliers following a quantity allocation scheme as indicated in section 5.5.

2.3.3 A provision of 10% may be allocated to new products, where suppliers submit qualified bid for recently approved products as per clause 2.2.1 and clause 5.2.
2.4 Contract management

2.4.1 IDA Foundation intends to sign Long-term Agreements (LTAs) with awardee(s) under this ITB. The LTAs will be awarded to bidders of compliant products offering a combination of price, supplier performance, shelf life, production lead time, Minimum Order Quantity (MOQ), and product registration in Low and Middle Income Countries. The products must be commercially, technically and quality acceptable, and the bid in compliance with this ITB.

2.4.2 Bids will be adjudicated on an EXW (EX-Works) basis as elaborated hereunder. However, FCA (Free Carrier Alongside) prices and DAP (Delivered At Place, for India supplies) prices will be required, therefore LTAs will be issued with three Incoterms (EXW, FCA and DAP) where applicable.

Purchases will be made against Purchase Orders to be issued by IDA in accordance with the terms and conditions of LTA(s).

2.4.3 LTAs shall be valid for an initial term of 12 months. IDA Foundation shall be entitled to renew an LTA for a further term of 6 or 12 months and on the same terms and conditions, by giving the Contractor written notice of its intention to renew the LTA not less than 30 days prior to the expiry date, provided however that:

a) the Contractor shall be entitled to review its prices every 12 months from the commencement date of the LTA, and shall notify IDA/GDF in writing not less than 90 days prior to expiry of the 12 month period of price maintenance or proposed price increases/reductions. In case of price increase, well documented justification needs to be provided to IDA/GDF.

b) The IDA Foundation shall notify the Contractor in writing within 60 days of receipt of the notice, whether it agrees to the revised prices. In case of any price increase, IDA/GDF shall be entitled to revise the market share allocation.

2.4.4 Performance monitoring
The production lead time i.e. the length of time from the time of issuance of a purchase order accepted by the supplier, including manufacturing period, until the products are available for dispatch must be stated in the Bid Response Form (Annex A). This parameter will be taken into account in the Bid evaluation.

After conclusion of LTA, IDA Foundation will be measuring awarded bidders, focusing on delivery lead time (promised date of delivery versus actual date of delivery) and production lead time as defined above and stated in the bid. In addition, on time order confirmation and quality compliance (e.g. on-time providing of documents, compliance to QC and PSI requirements) will be monitored and measured. Outcomes of these performance measurements will be used for future ITBs and for discussion on improvement of performance during the LTA period. Please also see clauses 5.1 and 5.14.

SECTION 3: CONDITIONS OF PARTICIPATION

3.1 This Invitation to Bid is open to bidders whose products have been deemed eligible for inclusion in the tender in compliance with the GDF’s Quality Assurance policy and procedures (published at http://www.stopbt.org/gdf/drugsupply/quality_sourcing_process.asp). A bid submitted for a product for which the bidder has not received regulatory approval status in accordance with the GDF Quality Assurance policy and procedures, shall not be considered in the ITB evaluation.

3.2 Bidders whose products shall be prospectively compliant in the near future, may be conditionally invited to bid for the product(s) in question at the discretion of IDA/GDF.
All suppliers who expect their products to be compliant by the time of bid opening can submit bids in the ITB, and those that achieve approval by bid opening will be assessed according to that status, if relevant confirmation is provided to IDA/GDF latest 3 hours before bid opening in writing.

If during the ITB period, the submitted product has ERP approval, it cannot be eligible for market share allocation if there are 2 or more products fully approved by WHO PQP or SDRA as per GDF's Quality Assurance policy and procedures (published http://www.stoptb.org/gdf/drugsupply/quality_sourcing_process.asp)

However, if the status of these ERP products will change as fully approved by WHO PQP or SDRA until the day and time of the bid opening, these will be considered for market share allocation during bid evaluation.

Manufacturer concerned shall immediately inform Suzanne de Jongh, Programme Manager GDF, IDA Foundation at sddejongh@idafoundation.org, with copy to Magali Babaley, GDF Procurement Team Leader at magalib@stopb.org and Nigorsulton Muzafarova, GDF Quality Assurance officer, at nigorsultonm@stopb.org about such status change latest 3 hours before the time of bid opening, otherwise this will not be considered during bid evaluation.

3.4 Where products offered are not exactly in compliance with specifications indicated by GDF in Annex B, or wherever alternatives are offered, the Bidder shall re-state in the Bid full specifications offered and how these differ from the specifications requested by GDF. IDA/GDF reserves the right to reject any bid that does not conform to the technical specifications.

3.5 If the bidder submits product in compliance with the GDF’s Quality Assurance policy and procedures, but in other packaging as required by this ITB in Annex B, it can be considered for bid evaluation and LTA, however without any market share allocation.

3.6 Quality assurance status ‘ERP Category 3’ means that the product does not meet all quality requirements and it is only recommended if the risk of not treating the disease is higher than the quality risk. Awards are therefore made only in exceptional circumstances for ‘ERP Category 3’ products. No ‘ERP Category 3’ product will be considered for market share allocation.

3.7 This Invitation to Bid is open to bidders who have authorization from relevant regulatory authority to manufacture, distribute, and export Anti-TB medicines for treatment of Drug Resistant forms of TB. Therefore, IDA and GDF reserve the right, unless this information has already been provided within the previous 12 months, to request bidders to submit their most recent Audited Financial Statement, Statutes, Registry excerpt from the respective Chamber of Commerce and Quality System Certificate. This information may be used by IDA/GDF for evaluation and adjudication processes. It is in the interest of the bidders, if requested, to provide information as complete as possible.

SECTION 4: BID FORM AND BID RESPONSE FORM / INSTRUCTIONS TO BIDDERS

4.1 MARKING AND RETURNING BIDS

4.1.1 Bids must be submitted by email to bids@idafoundation.org addressed to the Bid Opening Team and stating the reference ITB-IDA/GDF - SLD/2016/007.

4.1.2 Bids received without the Bid reference number or to any other address than bids@idafoundation.org will be rejected.
4.1.3 BID FORM (SECTION 10) and BID RESPONSE FORM (ANNEX A) must be completed, signed and returned to IDA Foundation. Bidder is requested to also return the Response form for relevant product Registration (ANNEX C) including copies of valid registration certificate issued by relevant regulatory authority for each country. Only Low and Middle Income countries where valid registration certificates will be provided, will be counted towards the total number of registrations.

BID RESPONSE FORM (ANNEX A) must preferably be provided in both high resolution easily readable PDF and EXCEL electronic format.

4.1.4. Bid must be made in accordance with the instructions contained in this Invitation to Bid.

4.2 DEADLINES FOR THE SUBMISSION OF BIDS AND BID OPENING

4.2.1 Bids must be submitted by email to bids@idafoundation.org by 13.00 hours IST on 29th of February 2016. Bids received after this deadline will be rejected.

4.2.2 The Bid Opening Team will open Bids publicly on 2nd March 2016 at 10.00 hours IST in IDA Foundation Mumbai office.

4.3 PUBLIC OPENING OF BID

Bidders, or their authorized representative, may attend the public opening of the Bid at the time, date and location specified in clause 4.2.2. No more than two physical representatives per bidder shall be allowed.

Representatives of UN, NGOs and Donor organizations may also participate in the bid opening upon request and by email to Suzanne de Jongh, Programme Manager GDF, IDA Foundation at sdejongh@idafoundation.org, with copy to Magali Babaley, GDF Procurement Team Leader at magalib@stoptb.org.

Remote connection to the bid opening via telephone or internet will be ensured by IDA Foundation. Bidders should note that the Bid Opening is the only time and place where information related to pricing from competitors per product is publicly announced.

4.4 REQUEST FOR INFORMATION

4.4.1 Any request for information should be forwarded to Suzanne de Jongh, Programme Manager GDF, IDA Foundation at sdejongh@idafoundation.org, with copy to Magali Babaley, GDF Procurement Team Leader at magalib@stoptb.org and Nigorsulton Muzafarova, GDF Quality Assurance officer at Nigorsultonm@stoptb.org; latest by 16.00 hours IST on Wednesday 10th February 2016.

4.4.2 Responses to requests for information will be sent to all bidders within three working days after closing date of the request for information i.e. on Monday 15th of February 2016.

4.5 MODIFICATION AND WITHDRAWAL

4.5.1 All changes to a Bid must be received by email to bids@idafoundation.org prior to the ITB closing time and date. It must be clearly indicated that it is a modification and supersedes the earlier Bid, or state the changes from the original Bid.
4.5.2 Bids may be withdrawn on written request received from Bidders prior to the ITB closing
time and date. Negligence on the part of the Bidder confers no right for the withdrawal of the Bid.

4.6  VALIDITY OF BIDS

Bids should be valid for a period of not less than 60 days after bid submission date.

4.7.  PRICES AND DISCOUNTS

Bidders are requested to:

4.7.1 Provide unit prices in US Dollars only, which will remain firm, subject to the right to review as
outlined in ITB clause 2.4.2 and in clause 4 of the model Long-term Agreement (LTA). Failure to
quote in US Dollars will lead to invalidation of the bid. Bids will be evaluated in US Dollars only.

4.7.2 Provide staircase pricing as per Annex A Bid Response Form Spread Sheet (i.e. varying prices
according to quantity of units purchased per Purchase Order).

4.7.3. Advise as to additional discounts applicable for high-volume purchases.

4.7.4 Any discounts for any reason other than those mentioned on the Bid Response Form must be
stated on the Bid Response Form (Annex A).

4.7.5 This ITB combines the total GDF requirements for the supply of Anti-TB medicines
for treatment of Drug Resistant forms of TB, including the requirements of India
Programme. Therefore no separate ITB for India will be published or organized.

4.8.  INCOTERMS

4.8.1. Bidders are requested to quote unit prices in accordance with the following delivery terms:
EXW (Ex-Works), FCA (Free Carrier Alongside) and DAP India (Delivered at Place) to
Government Medical Store Depots situated at Delhi, Chennai, Hyderabad, Mumbai, Karnal,
Kolkata and Guwahati (INCOTERMS 2010).

4.8.2 Failure to quote in accordance with the requested INCOTERMS will lead to rejection of the
bid.

4.9.  GROSS WEIGHT AND VOLUME

Bidders are required to state the estimated gross weight and volume of secondary and
tertiary packaging for the items offered in accordance with the Bid Response Form (ANNEX
A).

4.10. PACKAGING

4.10.1. The bidder shall ensure that the cost of packaging is included in the price offered for
the item(s).

4.10.2 Please refer to ANNEX J for the latest GDF Packaging Guidelines, to clause 11 and 12 of the
model LTA, and for the India Programme Supply also to ANNEX G Artwork Sample for India
Programme.

4.11. SAMPLES
4.11.1 IDA/GDF reserves the right to request the bidder for free, non-returnable samples of medicines (secondary packaging) under this ITB. The samples shall be labelled and printed according to the latest standard specimen, for approval by GDF. IDA Foundation will facilitate coordination prior to placement of any order.

4.11.2 Failure to provide, in a timely manner, samples requested by the IDA/GDF shall be sufficient ground to reject a bid.

4.12. COUNTRY OF ORIGIN

Products produced in countries other than that of the Bidder must be indicated, stating clearly the country of origin. Bidders may be required to submit a Certificate of Origin of Products issued by the Chamber of Commerce or other equivalent authority.

4.13. CONTRACT MANUFACTURING

Bidders MUST specify in their bid any finished products which may be offered by themselves, but originate from another supplier and/or country.

4.14. BIDDER REQUIREMENTS

4.14.1 The successful bidder warrants that:

a) It has the personnel, experience, qualifications, facilities, financial resources and all other skills and resources to perform its obligations under any resulting LTA or Purchase Order;

b) The items offered shall be new and factory packed, and free from defects in workmanship and materials;

c) The items offered shall be contained or packaged in a manner adequate to protect the ensure integrity of the product;

d) It has not and shall not enter into any agreement or arrangement that restrains or restricts the IDA/GDF or the ultimate recipient’s rights to use, sell, dispose of or otherwise deal with any item that may be acquired under any resulting LTA or Purchase Order;

e) The bidder and any of its affiliates shall minimize greenhouse emissions in their activities to the extent possible.

f) The bidder shall obtain any export license or other governmental authorization which may be necessary. It will be the sole responsibility of the bidder to obtain such license or authorization. IDA /GDF may provide assistance upon request.

4.14.2 The successful bidders will be required to acknowledge that:

a) IDA/GDF may further distribute the products supplied to their clients;

b) The benefit of any warranties provided and liabilities entered into with IDA, shall be passed on by IDA to its clients.

4.15. RIGHTS OF IDA/GDF

4.15.1 IDA/GDF reserves the right to cancel this ITB or not to make any award(s) and cannot be held liable for any compensation demanded by bidders for the costs involved in bid preparation. The IDA/GDF may also, unless otherwise specified by IDA/GDF or by the Bidder, accept any item in the Bid.

4.15.2 IDA/GDF reserves the right to invalidate any Bid received from a Bidder who, in the opinion of IDA/GDF, is not in a position to perform the contract.
4.16. ERROR IN BID

Bidders are expected to examine all Schedules and all Instructions pertaining to the Bid. Failure to do so will be at Bidders own risk.

SECTION 5: EVALUATION CRITERIA AND ADJUDICATION

5.1 Bid evaluation criteria and point allocation (total of 100 points) shall be as follows; with highest points awarded to the lowest price offered for the first staircase category as fixed in the Bid Response Form (Annex A) and additional criteria, as follows:

<table>
<thead>
<tr>
<th>CRITERIA</th>
<th>MAXIMUM POINTS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Price (lowest)</td>
<td>50</td>
</tr>
<tr>
<td>Supplier performance on delivery lead time (highest)*</td>
<td>15</td>
</tr>
<tr>
<td>Shelf life (longest)</td>
<td>20</td>
</tr>
<tr>
<td>Production lead time (shortest **)</td>
<td>5</td>
</tr>
<tr>
<td>MOQ (lowest)***</td>
<td>5</td>
</tr>
<tr>
<td>Product registration in HBCs and Low and Middle Income countries</td>
<td>5</td>
</tr>
</tbody>
</table>

*Historical performance on delivery lead time (promised date of delivery versus actual date of delivery) will be used in the bid evaluation for performance on delivery lead time. Performance is measured per order (line) and for this ITB performance is measured of the full period of the validity of the last LTA (i.e. 1 April 2015 - 31 January 2016) will be used

This will ensure points awarded are based on an objective and equitable input.

In cases where there is no supply history for a specific product/supplier, the following methodology will be used for assigning a performance score:

If there is no or inadequate product-specific history (i.e., the supplier has been part of the GDF/IDA programs but has not previously supplied the product in question), the overall performance of the supplier across all other relevant products will be considered.

If there is no or inadequate supplier history (i.e., the supplier is new to the GDF/IDA programs or has not supplied any products during the evaluation period), a Supplier Performance Score will be assigned reflecting the mean score of all eligible suppliers for that product.

**Longest lead time will be considered if a range is provided

*** Prices for quantities below MOQ can not be considered for evaluation.

5.2 The competitive range of the bids quoted is considered within a maximum delta of +15% from the lowest price. Suppliers that quoted price per unit outside the competitive range may be awarded with LTAs without any market share allocation.

5.3 While IDA/GDF shall make multiple awards as it is deemed to be in IDA/GDF’s best interests to ensure that quality products can be delivered to clients in a timely manner, there is no guarantee
that all eligible participants will be considered for the business. Any arrangement under this condition will be made on the basis of the lowest, second lowest and third lowest, etc. acceptable bid which meets the requirements in paragraph 2.4.1 above.

5.4 IDA/GDF intends to award contracts or orders based on market share allocation based on the results of this ITB, with possible modifications as per point 5.5 below. Please note, that the below allocations are target allocations only and only for fully approved products under WHO PQP or SDRA, and may deviate due to trend changes in client demand

Market share allocations are also subject to fulfilment by suppliers of respective order requirements, such as but not limited to quality assurance status, importation requirements, in-country registration status, production capacity and lead time in accordance with the Agreement entered with the supplier, as well as client preferences (e.g. in regard to packaging).

5.5 The allocation is indicative based on the primary/secondary/tertiary and auxiliary supplier status awarded based on evaluation of this ITB, and is implemented per product formulation and anticipated total quantity over the contract period as follows:

- 100% for primary/sole supplier
- 55%/45% for primary/secondary/auxiliary suppliers
- 50%/30%/20% for primary/secondary/tertiary/auxiliary suppliers

Differently packed products will be given auxiliary supplier status without market share allocations and based on specific country orders only.

5.6 The market allocation amounts given above will be re-assessed quarterly, based on performance of suppliers (including but not limited to compliance with lead time, responsiveness etc.). Allocations may be adjusted at the discretion of GDF/IDA as required. In the event of significant underperformance of a supplier, IDA Foundation reserves the right to suspend or cancel a long-term agreement and/or reallocate quantities to the other contracted supplier(s).

GDF/IDA reserve the right to modify the allocation percentages if circumstances so require, e.g. with respect to production capacity.

5.7 In case of underperformance of suppliers, IDA/GDF may cancel the allocated market share whatsoever, or in case of new suppliers, IDA/GDF may issue an order for only limited quantity until satisfactory performance is established.

5.8 Bid Evaluation will be carried out by a Bid Evaluation Committee which will comprise of at least 3 members, with at least 1 representative from IDA Foundation and 2 representatives from the GDF.

Bid Adjudication will be carried out by a Bid Adjudication Committee which will comprise of at least 2 members, with a least 1 representative from IDA Foundation and 1 representative from GDF.

The members of the Bid Evaluation Committee will participate and present the outcome of the evaluation, however the final adjudication decision will be taken solely by the Bid Adjudication Committee.

Additional independent participants to the adjudication process may be invited under strict confidentiality framework.
The Bid Adjudication Committee will operate by consensus based on proposal made by the Bid Evaluation Committee.

5.9 In case a formal complaint with regard to the outcomes of the bidding process is lodged by a Bidder, a Review Committee will be set up and will comprise representatives of both GDF and IDA Foundation, different from the members of the Bid Adjudication Committee, as well as other agencies or external experts as required. Complaints made through any third parties will not be considered.

Complaints will need to be filed to IDA and GDF within maximum 1 week after the outcomes of the bidding have been communicated to bidders. After this period, no complaints will be reviewed.

The recommendation made by the Review Committee regarding the complaint in question shall be final and the award, if necessary, modified accordingly.

5.10 Prior to the expiration of the period of bid validity, IDA Foundation will notify all bidders in writing about the results of the Bid. If, after notification of award, a Bidder wishes to ascertain the grounds on which its bid was not selected, it should address its request to the IDA Foundation. IDA Foundation will respond in writing within 5 working days to the unsuccessful Bidder.

5.11 Successful bidders shall register their products in Low- and Middle Income countries for which they are ordered where registration is mandatory, and in High Burden TB Countries. The most recent information on HBTCs can be found on http://www.stoptb.org/countries/tbdata.asp.

5.12 IDA/GDF may issue new Invitations to Bid for a specific product schedule in a case where
a) current suppliers are deemed unable to meet the orders coming from the TB market e.g. due to insufficient capacity, or
b) where a product had none or only one supplier eligible at the time of bid and additional sources achieve the necessary regulatory approval during the LTA period, or a combination of a) and b), or other unforeseen exceptional circumstances.

5.13 Successful bidders are aware that IDA/GDF will also monitor and measure the performance of the successful bidder(s) in comparison with production lead time indicated in their bid(s). Accordingly, bidders are requested to state realistic production lead times. IDA/GDF at its own discretion may change market allocation in case the performance of the successful bidder(s), in comparison with production lead time indicated in their bid(s) is not satisfactory during the contract period.

5.14 Successful bidders shall permit GDF representatives access to their facilities at any reasonable time to inspect the premises that will be used for the production, testing and packaging of the products, and will provide reasonable assistance to the representatives for such activity, including copies of any test results or quality control reports as may be necessary.

SECTION 6: CONTRACTUAL PROVISIONS

For contractual provisions, please see model Long-term Agreement, IDA’s Terms and Conditions and Code of Conduct (ANNEXES D, E and F).

SECTION 7: TECHNICAL PROVISIONS

For all Technical Provisions reference is made to model LTA (ANNEX D)
Bidder confirms by offering a BID that all Anti-TB medicines for treatment of Drug Resistant forms of TB offered are compliant with the model LTA requirements e.g. Quality Status, GMP compliant manufacturing site, Quality Control, Shelf Life, Marketing Authorization, COA, Packaging etc. etc.

SECTION 8: TERMS AND CONDITIONS OF CONTRACT
Any Purchase Order or Contract resulting from this ITB shall contain IDA’s General Terms and Conditions and Code of Conduct (as per ANNEXES E and F).

SECTION 9: TECHNICAL SPECIFICATIONS / PRODUCT LIST
For all Technical Specifications / product list reference is made to ANNEX B.

SECTION 10: INFORMATION
Any request for information concerning this ITB, must be forwarded in writing by email, to the persons mentioned in Section 4.4.1, with specific reference to the ITB number.
SECTION 11: BID FORM

DECLARATION
The undersigned, having read the Terms and Conditions of ITB-IDA/GDF-SLD/2016/007 set out in the present document, hereby offers to supply the goods specified in the schedule at the price or prices quoted, in accordance with the specifications stated and subject to the Terms and Conditions set out or specified in this document.
