

New opportunities for funding and engagement – Your role in the future of the Stop TB Partnership

Thursday 31st October, 11am – 5pm (*10.30am coffee and registration*)
Hotel Le Meridien Etoile, Paris (opposite the conference center)
Conference registration is not required to attend

Following the approval of the Stop TB Partnership Secretariat's Operational Strategy 2013-2015 and a series of governance reforms, the Stop TB Partnership has recently undergone a period of change and evolution.

This meeting, which is open to all people visiting Paris for the World Conference on Lung Health, presents a unique opportunity to discuss:

- **Secretariat priorities**, including our advocacy, partnering and Global Fund engagement activities
- **Governance reform**, including the new Coordinating Board structure, the new constituencies and how to engage with your constituency representative
- **Resources and funding opportunities**, including
 - the ongoing TB REACH call for proposals
 - the next round of the Challenge Facility for Civil Society
 - access to quality assured first and second line drugs and diagnostics, including GeneXpert, through the Global Drug Facility
