

What are the benefits for a country owning the TBTEAM process?

- *Opportunities for NTP to take charge of its own TA needs and plans.*
- *Technical partners can engage in the process*
- *Better coordination and planning*
- *Ability to track TA and anticipate scheduling conflicts*
- *Engages ALL partners*
- *Coordinates use of resources for TA and identifies gaps.*
- *Limits ad hoc, fragmented and duplicated events*
- *Quality assurance and evaluation of TA*
- *Provides opportunity to build on past missions*
