

Stop TB Partnership PAKISTAN

Symbolic Walk

On 26th March, 2014 at 12:00 pm, a walk was held from Football Ground to Press Club F6 Markaz, Islamabad in an effort to raise awareness about Tuberculosis.

The foundation of TB Walk seeks to raise awareness on the burden of Tuberculosis in the country. This effort has offered an opportunity to mobilize the political, economic and social commitment for the prevention and control of TB in Pakistan.

The walk was headed by Member National Assembly (MNA) Dr. Tariq Fazal Chudri. Many representatives of our partners including GreenStar Social Marketing, Mercy Corps, ASD, Pakistan Girls Guide Association, Pakistan Boy Scouts and Islamabad Traffic Police participated in the walk. Furthermore, the representatives from all the concerned departments of the National TB Control Program also took part in the symbolic awareness walk.

All the participants of the TB Walk have been provided with TB caps and shirts with logo, streamers, banners and play cards.
