

**Supplier:** Becton Dickinson (BD) International

**Subject:** BD's announcement of a new price structure to start on 1 January 2024 for BD MGIT instruments, reagents, and consumables.

**Context:** In October 2023, BD informed Stop TB-GDF about the launch of a new price structure for BD MGIT instruments, reagents, and consumables which will become valid from 1 January 2024 for FIND eligible countries. The attachment includes the latest list of FIND eligible countries.

**Deadline:** BD will no longer accept new procurement requests for BD MGIT instruments, reagents, and consumables with the current price structure after 31 December 2023. A formal purchase order (PO) will need to be placed before 31 December 2023 to benefit from the current price structure.

**Information for clients:**

- GDF will provide quotes with the current price structure for the procurement of BD MGIT instruments, reagents, and consumables until 4 December 2023. Quotes provided with the current price structure will have to be paid for/confirmed by 20 December 2023.
- GDF will update the price of the BD MGIT instruments, reagents, and consumables in its [Product Catalog](#) and [Diagnostic Ordering List](#) by 1 January 2024.

**Contact Information:** For additional or more detailed information about any impacted product, or, if you need support with order planning, please contact the GDF Country Supply Officer for your country or [gdf@stoptb.org](mailto:gdf@stoptb.org).
