

Concept Note

38th Stop TB Partnership Board Meeting

Abuja, Nigeria, 12-14 December 2024

Session 5: Preventing TB: Vaccines

Date and time: 13 December, 14:30-16:00 (90 minutes)

BACKGROUND

Build upon the TB vaccines session from the Stop TB Partnership's 37th Board Meeting and provide key updates on recent critical milestones related to TB vaccines and the various high-level TB vaccines events and meetings since February 2024.

SCOPE AND PURPOSE

1. **Knowledge Sharing:** Update the Board and global TB community on new and recent developments and progress in TB vaccine research.
2. **Event and Meeting Synthesis:** Consolidate key insights and takeaways from high-level TB vaccine events and meetings.
3. **Coordinated Planning:** Support action-oriented preparations for future TB vaccine development and delivery strategies.
4. **Milestone Tracking:** Highlight critical achievements and ongoing advancements in TB vaccine research and delivery.

EXPECTED OUTCOME

Drive collective understanding and advance coordinated TB vaccine research and delivery efforts.
