

# UNHLM 2023

Lucica Ditiu, Executive Director, Stop TB Partnership

*Stop TB Partnership Board Meeting, 19-20 May 2022*

## What we need to achieve by the end of 2022:

### Outward looking:

- Identification and appointment of the 2 co-facilitators
- Build strong relationship with the Office of the President of the General Assembly (OPGA) – September 2022-september 2023 – Hungary
- Ensure the date of the UNHLM 2023 is in September
- Scale up the engagement, awareness and visibility of UNHLM on TB 2023

### Inward looking:

- Support the development of the “Deadly Divide 2.0”
- Create and support the UNHLM on TB Coordinating group
- Select & support an organization to host UNHLM Civil Society & Affected Communities Work
- Development and launch of the “modalities” resolution
- Start conversations on “Key Asks”

## What we need to achieve by the end of 2022: (contd.)

### Tactics:

- Collaboration, coordination and alignment of position and messages with WHO and partners – including all Board members and constituencies
  - Regular coordination calls/meetings with partners
- High level engagement
  - Missions
  - Letters/calls/meetings/ webinars with potential co facilitators and OPGA
- Country level advocacy efforts
- Communication campaigns on TB and UNHLM 2023

Thank you
